The **Triad Early Childhood PTA** is a local unit within Jeffco Council PTA and is part of Colorado PTA and National PTA. It is not based in a public school. Its purpose is to bring information and resources to parents of young children in the Triad Early Childhood Council area – primarily in Jefferson County, but also in Gilpin and Clear Creek counties – who are being served in licensed child care centers, preschools, and family childcare homes.

PTA is a registered 501(c)(3) nonprofit association that prides itself on being a powerful voice for all children, a relevant resource for families and communities, and a strong advocate for public education. Membership in PTA is open to anyone who wants to be involved and make a difference for the education, health, safety, and well-being of children and youth.

The **Triad Early Childhood PTA** provides opportunities –

- To help parents of young children gain experience, knowledge, and skills in parent and family engagement before their children enter public school.
- To network with early childhood professionals, teachers, school administrators, child care facilities, and other parents of young children.

The **Triad Early Childhood PTA** shares up-to-date information and practical next steps about local and national issues affecting the education of all children of all ages. PTA membership allows you to become a part of the solution, influencing positive changes in your child's education, health, safety, and well-being.

Today's PTA is empowered, informed, and responsible. Please join us!
