A Little Bit of Magic for the Most Magical Time of Year

If Santa's reindeer come within 100 miles (yes, 100 miles!!!) of your home, they will smell your Magical Reindeer Food and come immediately to your home, bringing Santa and his sleigh to deliver your presents!

Here's how the magic works:

Right before going to bed on Christmas Eve, sprinkle your Magical Reindeer Food all across your yard- anywhere in the yard will work. Make sure you don't pile it all in one spot though, because the more you sprinkle it around, the more the magic is working. As soon as you're done, you have to go right to bed as fast as you can! Good luck, sleep tight, and Merry Christmas!

- Ask, "What three things do you need for a lemon tree?"
- Encourage children to repeat:
- Water, warmth, wait!
- Emphasize the beginning /w/sounds.
