Flow & Grow  
KIDS YOGA

### Daddy

Walk alongside me, Daddy  
And hold my little hand...  
I have so many things to learn  
That I don't yet understand  
Teach me things to keep me safe  
Show me how to do my best  
At home, at school, at play  
Every child needs a gentle hand  
To guide them as they grow  
So walk alongside me, Daddy  
We have a long way to go.

**For children who are nonverbal or are uncomfortable speaking in front of other children:**

Offer visuals for the child to point at in response to the discussion prompt. Invite the child to whisper his/her idea to an adult or to a friend.

Offer other ways to communicate responses, such as giving thumbs up or clapping their hands.

## SUGGESTED STORY

### The Tiny Seed

By Eric Carle

- Show the cover of the book and read its title aloud. Ask, "What helps a plant grow?"
- Give the child a silk (or real) flower to hold as they share their ideas. Ask questions that encourage them to use weather-related words: hot, dry, rain, cold.
- Read the story aloud and invite child to tap the book with their flower before turning the page.
